

VISITOR CENTRE INFORMATION

The Visitor Centre fascinates not only real ale fans, but also all those who are interested in seeing how things happen! The stylish mezzanine bar sits in a grand Victorian building, which formerly generated electricity for the Shipley trams. The brewhouse sits below, revealing all the secrets of how to brew fine beer!

An exhibition of the history and science of brewing, features interactive exhibits and a wealth of information (and trivia!) on beery subjects. It entertains all, whether you are a beer fan or not!

The Visitor Centre is open for groups of 20 or more, usually on Thursday evenings from 7 - 9.30pm, strictly by prior arrangement. Admission is £5 per head and includes a tour of the brewery plus a free pint or tasting tray! Due to the fact we operate a working brewery, health and safety considerations preclude us from allowing visitors during working hours and from allowing children into our Visitor Centre (sorry!) If you would like to visit the brewery, but don't have a group of 20, please contact us as we may be able to add your party to another group or tell you about our future events.

We are able to offer a range of menus, from the traditional favourite 'Pie & Pea Supper' to a scrumptious 'Mixed Buffet', or even a fabulous curry menu from the local 'Shimla Spice' Restaurant. See our menu for full details.

Saltaire Brewery also forms a fabulous venue for corporate entertainment and events. We have hosted Christmas parties, birthday bashes, charity events and there is even talk of a wedding reception...! Please contact us for more details.

We are also planning a number of events throughout the year, including *Charity Beer Tasting Evenings, Quiz Night, Pie & Peas night*, and a *Brewery Open Day*, so please see our website for further details.

If you would like to book a group visit, please complete our booking form and return it to us with a deposit cheque for £75. Call us on 01274 594959 to enquire about dates.
